

# Stirling and Hills Garden Club

Are you interested in propagating your own plants?  
Then you're invited to.....

## Cuttings Swap Night

**John Batchelor from Valley Horticulture  
Nursery will give us some tips on  
propagation methods.**

Members bring cuttings to share.  
Then you can take away the cuttings to try at home.  
Please bring clean secateurs & a pen & something to label your cuttings.

## New Members Welcome
